

**Department of Biochemistry & Molecular Genetics
UNIVERSITY OF LOUISVILLE SCHOOL OF MEDICINE**

**ANNUAL Ph.D. GRADUATE STUDENT PROGRESS REPORT
FIRST YEAR PhD STUDENT**

A departmental and graduate school record of annual student progress and committee meetings is required. It is the responsibility of the student to submit completed progress reports to mentors, dissertation committee members, their director of graduate studies (DGS), and the BMG departmental office.

Date: _____

Student: _____

Mentor: _____

DGS: _____

Committee Members (if applicable): _____

PART A:

LAB ROTATIONS COMPLETED YES Semester(s) _____ NO Reason _____

FIRST ROTATION LAB:

SECOND ROTATION LAB

Additional Rotations if necessary: _____ Reason _____

Attach Lab Rotation Evaluations (BIOC 613)

FIRST YEAR COURSEWORK COMPLETED YES NO

ACADEMIC PERFORMANCE:

PART B:

RESEARCH ACTIVITIES: _____
(Date Range)

Briefly describe research activities for the evaluation year and list any relevant items in the detailed list below. Attach any research evaluations (e.g. BIOC 619 Research).

Please list all activities for the current review year

- A. Departmental Presentations (list title/month/year of seminars, research conferences)
- B. Publications
- C. Abstracts

- D. Meetings/Symposia Attended
- E. Honors and Awards
