

# DEPARTMENT OF BIOCHEMISTRY & MOLECULAR GENETICS

## Rotation Director Request and Brief Project Description

Student: \_\_\_\_\_

Rotation Director: \_\_\_\_\_

Date: \_\_\_\_\_

Brief Project Description:

---

Your research rotation request has been approved by the Graduate Executive Committee. The student should work in your lab ~120 hours during the 6 week rotation, give a 15 minute oral presentation to the department, and submit a written report on the research the day of the presentation.
